### Administration Corner:

Dear Parents,

We are so happy to officially welcome you to the 2020-2021 school year! We understand that this year is looking a bit different right now with some of our students attending E school and some of our students attending on campus. We appreciate your patience as we implement our new safety measures. Promoting health and safety in schools is our number one goal right now. We are looking forward to a productive partnership with you to ensure our children set and reach their academic goals as well this year. We are off to a good start and look forward to seeing academic and behavioral goals achieved.

We hope you had the opportunity to communicate with your child's teacher by now. If not, you can call the office and we will have the teacher reach out to you. It has been a joy to have the children back on campus. They all have been wonderful about wearing their mask and practicing social distancing. We appreciate your support in this area.

Maintaining open communication with your child's teacher and the school is essential in helping your child reach his/her potential. We sent home an envelope with your Parent Portal Pin and information on how to sign up. This is an excellent way to check on your child's grades, attendance, and more. Please sign up for Class Dojo with your child's teacher. This is a wonderful way for you and your child's teacher to communicate. Also, we have our school website and a **Facebook** page for John Snively Elementary. Please look us up and follow our page. We will be updating and posting to it frequently. Here's to a productive and educational year!!
