### Administration Corner:

Dear Parents,

We are so happy to officially welcome you to the 2022-2023 school year! We are excited to work with you and your child for another successful year. We will continue to implement safety measures at the school this year. Promoting health and safety in schools is our number one goal right now. At this time, it remains the parents’ decision if you would like your child to wear a mask. We will support your decision either way.

Maintaining open communication with your child’s teacher and the school is essential in helping your child reach his/her potential. Every student has received an agenda. Please review this agenda nightly to look for communication from your child’s teacher. We sent home information on how to set up your Parent Portal Pin if you have not done this already. This is an excellent way to check on your child’s grades, attendance, and more. Also, please sign up for Class Dojo with your child’s teacher. This is yet another way for you and your child’s teacher to communicate. In addition, we have our school website and a **Facebook** page for John Snively Elementary. Please look us up and follow our page. We will be updating and posting to it frequently.

This year all students K-5 will receive an Ipad to use both at school and at home. We are holding informational classes for parents on September 6, 7, & 8th. If you do NOT want your child to take the Ipad back and forth to school each day, you will need to fill out the opt out paper. Your child will still have use of the Ipad every day at school, but would not take it home in the evenings. Parents are liable for broken devices. We will be using the program Schoology on the Ipads. The parent message our Superintendent Mr. Heid sent out earlier concerning this 1:1 technology is on the back of this newsletter.

### Business Partner of the Month:

### Traditions Community

Thanks for the staff and student supplies!!

### September 23rd Student Early Release Day -

This is an early release day for students. Students will be dismissed at 12:15 pm . For \$1.00, students can wear an appropriate elementary non-uniform attire.

### **PBS-SCHOOL-WIDE POSITIVE BEHAVIOR SUPPORT**

PBS focuses on a long-term solution, using functional behavior assessments to understand the impact a student’s environment may have on that student’s behavior. We use teaching skills to:

- Identifies multiple strategies to effectively reduce problem behavior
- Identifying environmental triggers
- Focusing on positive behaviors
- Increased academic performance.
